

## Item 603674

Astris Flex 2034 Wash basin made in stainless steel. It has a lowered centre panel which makes it easier to wash sheets and other items. The wash basin is available to choose from in our original configurator program and can also be purchased separately for use with other worktop materials such as stone. Dimensions 543x400x170mm.

## Item 602495

Sink Astris Flex 3420 is made of stainless steel and has a lowered center beam that facilitates, for example, washing oven trays. The sink is available to choose from in our original drawing program and can also be purchased separately for undermounting or flat mounting in other worktop materials such as stone.
