

Item 603675

Astris Flex 3636 Wash basin made in stainless steel. It has a lowered centre panel which makes it easier to wash sheets and other items. The wash basin is available to choose from in our original configurator program and can also be purchased separately for use with other worktop materials such as stone. Dimensions 723x400x170mm.

Item 603704

Sink Astris Flex 5222 is made of stainless steel and has a lowered center beam that facilitates, for example, washing oven trays. The sink is available to choose from in our original drawing program and can also be purchased separately for undermounting or flat mounting in other worktop materials such as stone.

Item 603703

Sink Astris Flex 2252 is made of stainless steel and has a lowered center beam that facilitates, for example, washing oven trays. The sink is available to choose from in our original drawing program and can also be purchased separately for undermounting or flat mounting in other worktop materials such as stone.
