

RSK 7102819

The Bigg 110 E floor drain has a 110 mm side outlet and is for installation in concrete joists. It is manufactured in epoxy coated cast iron and comes complete with a removable water trap, clamping ring and plastic grate. It also comes with a protective cover that is intended to prevent any concrete or debris from entering the drain.

The automatic clamping ring is used for both sealing membrane and vinyl flooring. It is a self-adjusting clamping ring for vinyl flooring with a thickness of 1,5 mm to 2 mm.
