

RSK 7102829

The Heavy 110 P floor drain has a 110mm vertical outlet and is for installation in concrete joists. The Heavy floor drain comes with a water trap, clamping ring and plastic grate. It also comes with a protective cover that is intended to prevent any concrete or debris from installation from entering the drain.

The automatic clamping ring is used for both sealing membrane and vinyl flooring. It is a self-adjusting clamping ring for vinyl flooring with a thickness of 1,5 mm to 2 mm.
