

## RSK 7110772

The Ymer 75 Side floor drain with Nordsjön Support has a 75mm side outlet. It is suitable for installation with the Nordsjön Support in concrete joists. The Ymer floor drain comes complete with a removable water trap, clamping ring and plastic grate. It also comes with a protective cover that is intended to prevent any concrete or debris from installation from entering the drain. The floor drain is manufactured in weldable PEH plastic.

The automatic clamping ring is used for both sealing membrane and vinyl flooring. It is a self-adjusting clamping ring for vinyl flooring with a thickness of 1,5 mm to 2 mm.
