RSK 7130000

Chess is made of stainless steel. Chess is a non-slip grid with load class K3 (300 kg) for walking traffic/barefoot friendly. Dimensions 100×400 mm.

RSK 7130001

Chess is made of stainless steel. Chess is a non-slip grid with load class K3 (300 kg) for walking traffic/barefoot friendly. Dimensions 100×500 mm.

RSK 7130002

Chess is made of stainless steel. Chess is a non-slip grid with load class K3 (300 kg) for walking traffic/barefoot friendly. Dimensions 100×1000 mm.

Specifications

RSK Number	7129999
Function	With locking device
Item Color	Stainless

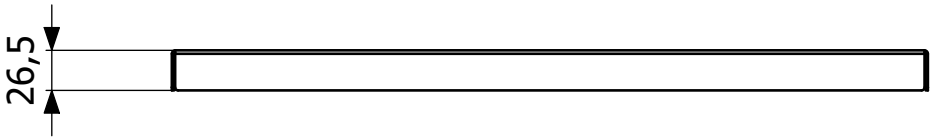

Material	Acid-resistant stainless steel 1.4404
Pressure Flow Temp	K3
Size	100×300 mm
Surface	Polished
Version	Chess grate

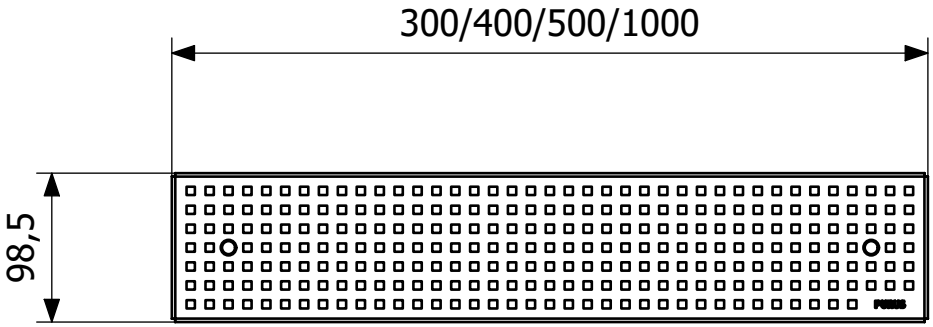

RSK Number	7130000
Function	With locking device
Item Color	Stainless
Material	Acid-resistant stainless steel 1.4404
Pressure Flow Temp	K3
Size	100×400 mm
Surface	Polished
Version	Chess grate

RSK Number	7130001
Function	With locking device
Item Color	Stainless
Material	Acid-resistant stainless steel 1.4404
Pressure Flow Temp	K3

Size	100×500 mm
Surface	Polished
Version	Chess grate
