

Item 854248

V105 Hygiene rail in stainless steel with a length of 1200mm. It has pre-drilled and countersunk holes for quick wall installation. The wall rail has a smooth finish, is tight-fitting and has bevelled end pieces; making it suitable for areas where enhanced hygiene is required. The wall rail can be joined if necessary with a joining plug and is compatible with the V106 Hygiene bracket and V107 Shelf.

Item 854247

V105 Hygiene rail in stainless steel with a length of 1000mm. It has pre-drilled and countersunk holes for quick wall installation. The wall rail has a smooth finish, is tight-fitting and has bevelled end pieces; making it suitable for areas where enhanced hygiene is required. The wall rail can be joined if necessary with a joining plug and is compatible with the V106 Hygiene bracket and V107 Shelf.

Item 854246

V105 Hygiene rail in stainless steel with a length of 800mm. It has pre-drilled and countersunk holes for quick wall installation. The wall rail has a smooth finish, is tight-fitting and has bevelled end pieces; making it suitable for areas where enhanced hygiene is required. The wall rail can be joined if necessary with a joining plug and is compatible with the V106 Hygiene bracket and V107 Shelf.

Item 854245

V105 Hygiene rail in stainless steel with a length of 600mm. It has pre-drilled and countersunk holes for quick wall installation. The wall rail has a smooth finish, is tight-fitting and has bevelled end pieces; making it suitable for areas where enhanced hygiene is required. The wall rail can be joined if necessary with a joining plug and is compatible with the V106 Hygiene bracket and V107 Shelf.

Item 854244

V105 Hygiene rail in stainless steel with a length of 400mm. It has pre-drilled and countersunk holes for quick wall installation. The wall rail has a smooth finish, is tight-fitting and has bevelled end pieces; making it suitable for areas where enhanced hygiene is required. The wall rail can be joined if necessary with a joining plug and is compatible with the V106 Hygiene bracket and V107 Shelf.
