

RSK 7138427

The Bolja oil barrier is manufactured in plastic and is designed for 220mm diameter floor drains without water traps. The barrier closes tightly when filled with oil. In the event of an oil spill, gaskets must be replaced. Always check with local rules and regulations for installation approval, as the Bolja functions as an oil stop, not an oil separator.

## Specifications

<b>RSK Number</b>	7138427
<b>Dimension</b>	Ø220 mm
<b>Function</b>	For Bigg and Heavy
<b>Item Color</b>	White
<b>Material</b>	PP
<b>Pressure Flow</b>	1,4 l/s
<b>Temp</b>	
<b>Version</b>	Oil barrier
