

RSK 7114655

The Purus Corner is a floor drain body with a vertical 75 mm outlet. It can be installed in wooden or concrete joists. The Purus Corner comes with a removable NOOD water trap, strainer, stainless steel clamping ring, stainless steel frame and installation kit. It is compatible with the Purus Corner grates, which are sold separately. The NOOD water trap is a mechanical trap which closes when there is no water present, thus preventing any foul air from escaping through the drain. This floor drain can be installed in the corner against the wall or elsewhere in the room.
