

RSK 7114406

The Purus Corner Tile Insert is a complete floor drain with a side 50 mm outlet. It can be installed in wooden or concrete joists. The Purus Corner Tile Insert comes complete with a removable NOOD water trap, strainer, stainless steel clamping ring, stainless steel frame, Tile Insert grate and installation kit. The NOOD water trap is a mechanical trap which closes when there is no water present, thus preventing any foul air from escaping through the drain. This floor drain can be installed in the corner against the wall or elsewhere in the room.
