

## RSK 7103572

The Purus Line Premium 600 is a complete linear floor drain with a vertical 75 mm outlet. It is designed for installation in wooden or concrete joists. The Purus Line Premium comes complete with a removable NOOD water trap, strainer, stainless steel clamping ring, installation kit, stainless steel frame and the Premium frame which tiles are fixed on to. The NOOD water trap is a mechanical trap which closes when there is no water present, thus preventing any foul air from escaping through the drain. This linear floor drain can be installed against the wall or elsewhere in the room.

## RSK 7103573

The Purus Line Premium 700 is a complete linear floor drain with a vertical 75 mm outlet. It is designed for installation in wooden or concrete joists. The Purus Line Premium comes complete with a removable NOOD water trap, strainer, stainless steel clamping ring, installation kit, stainless steel frame and the Premium frame which tiles are fixed on to. The NOOD water trap is a mechanical trap which closes when there is no water present, thus preventing any foul air from escaping through the drain.
