

RSK 7115486

The Purus Line Vinyl Plus 600 is a designed floor drain for vinyl flooring with a 50 mm side outlet, with a low construction height of 83 mm and is suitable for installation in concrete joists. The floor drain comes with a removable NOOD water trap, stainless steel clamping frame and a concrete installation kit. The NOOD water trap prevents any foul air from escaping through the drain even if there is no water present. The Purus Line Vinyl Plus must be installed at least 200 mm from the wall.
