

RSK 7989012

V301 Urinal trough in acid-resistant stainless steel, with a length of 1200mm. The urinal trough has a G40 central outlet and G15 water connection outlet, and is suitable for wall installation. It comes complete with suspension fittings, flushing pipe, protective plate and vertical PUM valve. The V301 urinal trough is durable and practical for environments where high strength and hygiene is required. It can withstand daily use in areas such as schools, leisure facilities and industrial environments.

RSK 7989014

V301 Urinal trough in acid-resistant stainless steel, with a length of 2400mm. The urinal trough has a G40 central outlet and G15 water connection outlet, and is suitable for wall installation. It comes complete with suspension fittings, flushing pipe, protective plate and vertical PUM valve. The V301 urinal trough is durable and practical for environments where high strength and hygiene is required. It can withstand daily use in areas such as schools, leisure facilities and industrial environments.

RSK 7989013

V301 Urinal trough in acid-resistant stainless steel, with a length of 1800mm. The urinal trough has a G40 central outlet and G15 water connection outlet, and is suitable for wall installation. It comes complete with suspension fittings, flushing pipe, protective plate and vertical PUM

valve. The V301 urinal trough is durable and practical for environments where high strength and hygiene is required. It can withstand daily use in areas such as schools, leisure facilities and industrial environments.

Specifications

RSK Number	7989012
Function	Central outlet
Item Color	Stainless
Material	Acid-resistant stainless steel 1.4404
Outlet Dimension	G40
Size	1200
Surface	Polish
Version	With brackets

RSK Number	7989014
Function	Central outlet
Item Color	Stainless
Material	Acid-resistant stainless steel 1.4404
Outlet Dimension	G40
Size	2400
Surface	Polish
Version	With brackets
