

Item 601127

The V104 wall rail is manufactured in stainless steel and has pre-drilled holes for quick wall installation. The wall rail is a C-rail and is adapted to V103 brackets and V107 shelves. Length 600mm.

Item 601174

The V104 wall rail is manufactured in stainless steel and has pre-drilled holes for quick wall installation. The wall rail is a C-rail and is adapted to V103 brackets and V107 shelves. Length 1000mm.

Item 601176

The V104 wall rail is manufactured in stainless steel and has pre-drilled holes for quick wall installation. The wall rail is a C-rail and is adapted to V103 brackets and V107 shelves. Length 2000mm.

Item 601215

The V104 wall rail is manufactured in stainless steel and has pre-drilled holes for quick wall installation. The wall rail is a C-rail and is adapted to V103 brackets and V107 shelves. Length 1500mm.

Item 601305

The V104 wall rail is manufactured in stainless steel and has pre-drilled holes for quick wall installation. The wall rail is a C-

rail and is adapted to V103 brackets and V107 shelves. Length 800mm.

Item 601126

The V104 wall rail is manufactured in stainless steel and has pre-drilled holes for quick wall installation. The wall rail is a C-rail and is adapted to V103 brackets and V107 shelves. Length 400mm.

Item 601353

The V104 wall rail is manufactured in stainless steel and has pre-drilled holes for quick wall installation. The wall rail is a C-rail and is adapted to V103 brackets and V107 shelves. Length 1800mm.

Specifications

Item Number	601127
Function	To wall
Item Color	Stainless
Material	Stainless steel 1.4301
Size	L=600 mm
Surface	Polished

Item Number	601174
Function	To wall
Item Color	Stainless

Material	Stainless steel 1.4301
Size	L=1 m
Surface	Polished

Item Number	601176
Function	To wall
Item Color	Stainless
Material	Stainless steel 1.4301
Size	L=2 m
Surface	Polished

Item Number	601215
Function	To wall
Item Color	Stainless
Material	Stainless steel 1.4301
Size	L=1,5 m
Surface	Polished

Item Number	601305
Function	To wall
Item Color	Stainless
Material	Stainless steel 1.4301

Size	L=800 mm
Surface	Polished

Item Number	601126
Function	To wall
Item Color	Stainless
Material	Stainless steel 1.4301
Size	L=400 mm
Surface	Polished

Item Number	601353
Function	To wall
Item Color	Stainless
Material	Stainless steel 1.4301
Size	L=1,8 m
Surface	Polished
