PURUS

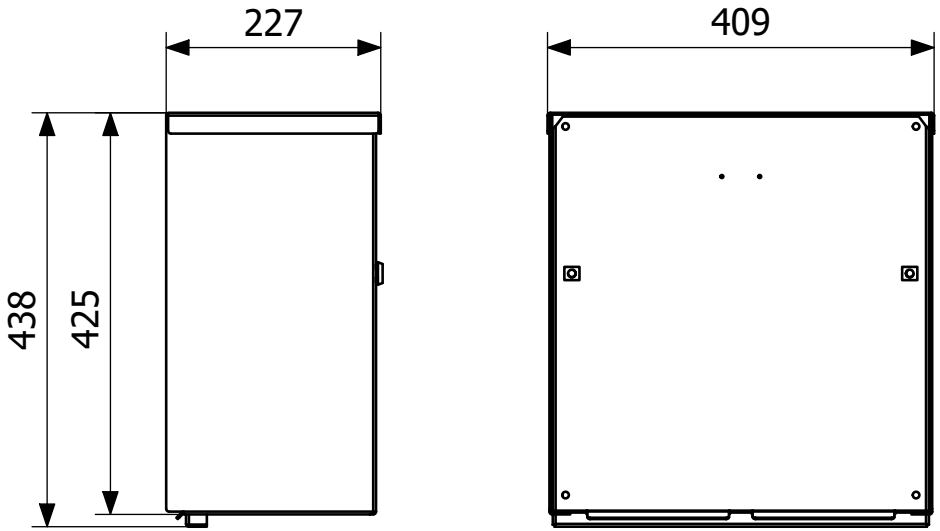

Item S10081

Waste bin with 24 litre capacity, without lid. Manufactured in 2mm stainless steel and designed for wall installation. The waste container cannot be dismantled without tools and closes tightly to the wall. The design and thickness of the material must ensure that the waste bin can withstand damage without the use of tools, such as kicks, blows and jerks. The waste bin has a 10-year anti-vandalism guarantee.
